VOICE MAIL INSTRUCTIONS FOR TURTLE LAKE

Setting Up Your Voice Mailbox Section 1

1. Lift Receiver.
2. Dial 357-2002
3. Enter your mailbox number, (your 10-digit telephone number)
4. Enter your password (default is 0000).
5. Press #.
6. From the main menu, select 9 for the Set-up Menu.
7. Press 1 to record your greeting.
8. Press 2 to change your password from the default 0000 to a 4 digit number of your choice. This will protect your mailbox from others accessing your messages.

Please note: Pressing the * key will back you up one menu level. It is necessary for you to press the # key after recording.

9. Hang up receiver. Your voice mail is now set up. Calls will be transferred to your voice mail box if you: do not answer the phone, are already on a call or ignore a call waiting tone.

Retrieving Voice Mail Section 2

1. Lift Receiver. A stutter dial tone indicates there is a voice mail message waiting to be retrieved.
2. Dial 357-2002.
3. Enter your mailbox number, (your 10 digit telephone number) or pres the # key.
4. Enter your password (default 0000).
5. Press #.
6. Press 1 to listen to new messages.
Press 2 to listen to saved messages.
Press * to return to the main menu.

Retrieval Away From Home Section 3

From a touch tone phone:
